

**Moscow Chess Federation announce about new partnerships with City Sightseeing Russia company. The big company organizes city tours on double-decker buses.**

City Sightseeing is world's leading Hop-On Hop-Off bus tour operator. The company was established in 1998 in Spain. Starting from one bus, one tour since then it has grown to more than 100 locations in 35 countries worldwide.

Bright red open-top double-decker buses are not possible not to notice - They are so eye-catching, bright, and beautiful and the most important thing - that is very convenient. The routes are created in a way that you can see all the main attractions of the city even if you have little time. It possible also learns about them - because this buses equipped with headphones with multilingual audio guide that has been written by a professional guide. And the last but not least - Hop On - Hop Off - a system which allows you to get on the bus and leave it wherever and whenever you want as many times as you need.

This company together with Moscow Chess Federation organizes city tours on double-decker buses as a part of the additional program of the XVI international RSSU Cup Moscow Open.

The tour starts along the route №3 (Soviet Moscow, duration about tow hours), with the possibility of change the routes. Information about this possibility can be obtained from the steward on the route, on the website <http://city-sightseeing.ru/> or by phone number +7(495)22-77-99-6.

The first stop of this route is near of the main entrance of the Cosmonautics Museum at VDNH.

The special price with the **20%** off for one excursion is provided for all participants of The Moscow Open 2020 from January 23th 2020 from February 4th 2020. The accreditation card (participant card) entitles you to receive this discount. Participant needs to present it in the bus when he buys a ticket.

The special promotional code **MOSOPEN2020** gives **25%** off in case of purchase on the website <http://city-sightseeing.ru/>. Buy the ticket from the site this is the great opportunity to create a big company.

For the some winners The City Sightseeing Russia company will give 40 tickets for the bus excursion. It will be after the finish of the tournament.

Have a nice rest, a nice weather and we hope that this Moscow tour with a visit of attractions will be very interesting and attractive.

*With respect to the guests and participants of the tournament Moscow open 2020  
Moscow Chess Federation and City Sightseeing Russia.*

The start of route the first stop near of the Cosmonautics Museum at VDNH metro station.
